

16 March 2015

Dear Lagomorph Biologist/Enthusiast:

The Johns Hopkins University Press, a nonprofit scholarly and educational publisher, requests permission to use your image(s) listed below in the forthcoming book, tentatively titled *Lagomorphs: the Pikas, Rabbits and Hares of the World*, which is scheduled to be published in Fall 2016:

Sample file-name: Genus species Firstname Lastname
Example: Ochotona princeps Andrew Smith1
Ochotona princeps Andrew Smith2

[Delete Red Text and replace with the designation of your image(s) with the appropriate file-name(s)]

We request nonexclusive world rights to use this material as part of the above-listed work in all languages and for all editions, including electronic. This permission extends to use the material as part of a cover for the book and in all advertising related to the book.

If you hold the rights to the abovementioned material(s), may we have your permission to use the material as described above? Unless you request otherwise, we shall use a conventional scholarly format to acknowledgement your image.

Thank you for your consideration of this request. Please retain a copy after signing for your records and return a copy of the original (a scan or a pdf) permissions form, along with your image(s) (labeled with the appropriate file-name) to me by e-mail at:

a.smith@asu.edu

The above request is approved on the conditions specified below, if any, and on the understanding that full credit will be given to the source.

Approved by: _____ Date: _____
Signature

Printed Name: _____

Credit Line Requested:

Best Wishes,
Andrew Smith
